

CALDER HOUSE SCHOOL

Disability Policy

Calder House is aware of its duty under the Disability Discrimination Act 2005 to plan for:

- increasing access for disabled pupils to the school curriculum
- improving access the physical environment of the school
- improving the delivery of written information to disabled pupils

To this end the Headteacher will conduct an audit every year to monitor accessibility and compliance. Action plans to eliminate barriers to accessibility both physical and academic will be generated by her as a result of this audit. These plans are available upon request and will implemented, whenever possible, before the next audit or according to timescale set out in the relevant plan.
